

St Mary and St Thomas CE Primary School Newsletter

Week Beginning: Monday 1st July

It has been lovely to return to school this week after my maternity leave and see so many friendly and familiar faces. Once again, a huge thank you to Mrs Rynn for looking after everything for me and thanks to all of you for showing your support to Mrs Rynn throughout the year- I know she really enjoyed spending her time here! We have a busy but fun couple of weeks ahead and I look forward to hopefully seeing all of you at fun day next week.

Mrs Lewis

TRANSITION WEEK

This week the pupils in every year group have had the opportunity to move up to their next class ready to show their new teachers and learning support assistants what they're capable of! All children in the school have settled really well and I know that when the pupils return from the summer holidays, they will hit the ground running in their new classes.

MARTIN MERE

Y1&2 spent Thursday in Martin Mere on their end of year trip. They had a fantastic time and whilst there had the opportunity to experience pond dipping, bird feeding and viewing flamingos in their natural habitat. All the children had an amazing time and showed exemplary behavior throughout the whole day.

SPORTS DAY

Reminder that on Monday is our sports day. Reception, Y1 & Y2 pupils will complete their sports day in the morning (starting at 9:30pm) and Y3, 4, 5 AND 6 will complete theirs in the afternoon (starting at 1pm). We would like to ask that if it is a sunny day, please apply suncream to your child and send them into school with a sun hat. Parents and carers are invited to come and support your child but please remember you do not need to bring anything for your child i.e. drinks etc and remember no animals allowed on the school field.

CHANGE FOR LIFE WORKSHOPS

There are a range of activities happening all week for pupils which we are really excited about- please check twitter throughout the week to have a look at what's taking place. However please be aware that on Wednesday afternoon from 3pm until 3:30pm we will be holding a parents' marketplace in the school hall. There will be a range of stalls with representatives including the healthy living team, wellbeing practitioners, headlice workshop and more which will give parents and carers the opportunity to speak to professionals, gain practical advice and ask any questions they may have!

PARKING PERMITS

Please remember to apply for your parking permits allowing you to park on Asda car park for free during drop off and pick up times. Forms are available from the school office or you can download from the school website.

MAKE LUNCH

Booking forms for the Make Lunch Event during the school holidays have been issued and are available from the school office or you can download from the school website. Please ensure these are returned to Linda Smith by 18th July 2019
