

St Mary and St Thomas CE Primary School Newsletter

Week Beginning: Monday 7th July

CHANGE FOR LIFE WEEK

What a busy week we have had this week, it kicked off on Monday with our annual sports day in which pupils from Reception up to Y6 took part. A huge well done to all our pupils that took part and a thank you to all our parents and carers who joined us to support their child. We were very proud of our pupils' achievements and their sportsmanship on the day.

As the week has progressed we had a full day of sport on Wednesday where pupils had the opportunity to take part in various sports and activities designed to help support a healthy lifestyle. One of the workshops was run by Miss Knowles and Miss Thorp and focused on the dangers of 'hidden sugar' in children's drinks. I hope that our pupils shared their new learning with you! Thank you to the parents who joined us in the school hall on Wednesday afternoon- we were joined by several different agencies including the healthy living team, wellbeing practitioners, headlice workshop who were there to offer support and guidance as necessary. The parents and carers who attended found the drop in to be useful.

Then on Thursday morning each class had a turn on the inflatable- this showed us that exercise and increasing your heart rate can be fun! Thursday afternoon was our annual fun day- a huge thanks to our parents and carers who supported us on the day and we hope you enjoyed the vast number of activities that were available. Thank you for all your donations and contributions for our fundraising fund.

Today we have been joined by Cogs education in Y2, 3, 4 and 5. The classes took part in sessions that are designed to promote mental health and wellbeing.

So, it's been quite the week. We hope the pupils have really enjoyed the week and learned lots. Please take some time this weekend to find out what your child enjoyed and if they have any ideas for next year!

Y6 TRIP TO DELAMERE FOREST

Our Y6 pupils had their end of year trip today which took place at the 'Go Ape' centre in Delamere forest. The children thoroughly enjoyed the day and all the challenges and activities they completed.

END OF KS2 SATs RESULTS

This week pupils from Y6 found out how they fared with the 2018/19 SATs tests. We are really proud of our pupils' achievements and the hard work and dedication they have shown throughout the year. Well done to all!

PARKING PERMITS

Please remember to apply for your parking permits allowing you to park on Asda car park for free during drop off and pick up times. Forms are available from the school office or you can download from the school website.

MAKE LUNCH

Booking forms for the Make Lunch Event during the school holidays have been issued and are available from the school office or you can download from the school website. Please ensure these are returned to Linda Smith by 18th July 2019
